*-THE BIGGEST NOT-FOR-PROFIT ORGANIZATION VOICING
TAIWAN-BASED HEALTH CARE INDUSTRY -*

About IBMI

Founded by the former president of the Legislative Yuan of Taiwan, Mr Jin-Pyng Wang, IBMI is an independent, not-for-profit organization voicing Taiwan-based health care industry, promoting interdisciplinary collaborations through its global platform, and creating policy dialogues between public and private sectors. On top of that, IBMI is also a trusted awarding and certification body to health care providers and an incubator to health care startups in areas of novel technologies, services and innovations.

What We Do

Policy Think Tank

- Act for the Development of Biotech and New Pharmaceuticals Industry.
- Cross-Strait Cooperation Agreement on Medicine and Public Health Affairs.
- Amendment of the Fundamental Science and Technology Act.
- The Human Biological Database Management Act
- Pharmaceutical Affairs Law and Medical Care Act
- 33 biomedical policies

Partnership & Collaboration

- Healthcare + Expo Taiwan
- Healthcare + B2B Portal
- MEDTEX Summit Asia
- International Hospital Leadership conference
- Bio Taiwan Highlights

Awards & Certification

- Symbol of National Quality (SNQ) accreditation & certification
- National Innovation Awards

Startup Incubation

- Allied with 36 Universities & Research Institutes
- Startup Angel investment

Expand Healthcare Business in APAC

Onsite 1 – 4 December 2022, TaiNEX 1, Taipei

Online 1 August 2022 – 31 July 2023

I. About

Innovation in Healthcare Driven by Medical Technology

“Hospitals pave the way to connecting upstream-downstream medtech supply chains, being an axis on which the industry, technology development revolves. The government will keep on track investing its efforts into a promising future of precision medicine.” — **President Tsai Ing-Wen**

“The coming of post-Covid era will further Taiwan’s leading position in terms of healthcare. It is envisioned that the country will continue to stay at the forefront of healthcare with its technological strength.” — **Shyi-Kun Yu, President of the Expo General Assembly**

I. About

Innovation in Healthcare Driven by Medical Technology

“The Expo represents the emergence of science, clinical research, cutting-edge technology, medicine and their applications altogether, steering Taiwan’s healthcare industry towards breakthrough and change.” — **Chi-Huey Wong, President of IBMI**

“While AI computing, 5G and information technology are advancing at a lightspeed, the transformation in smart healthcare are counting on innovation in operational models.”

— **Barry Lam, Vice President of IBMI**

“Doctor-invented technologies and health tech startups will bring a momentum to the industry. They can shape the healthcare landscape and address the patient’s needs and the bottleneck in disease treatment.” — **Pan-Chyr Yang, Vice President of IBMI**

“Hospitals spearhead the cross-disciplinary collaboration with their clinical experiences, data and scientific discoveries, they are the engine to energise novel products and solutions.”

— **Chang-Hai Tsai, Vice President of IBMI**

III. Floor Plan & Exhibitions

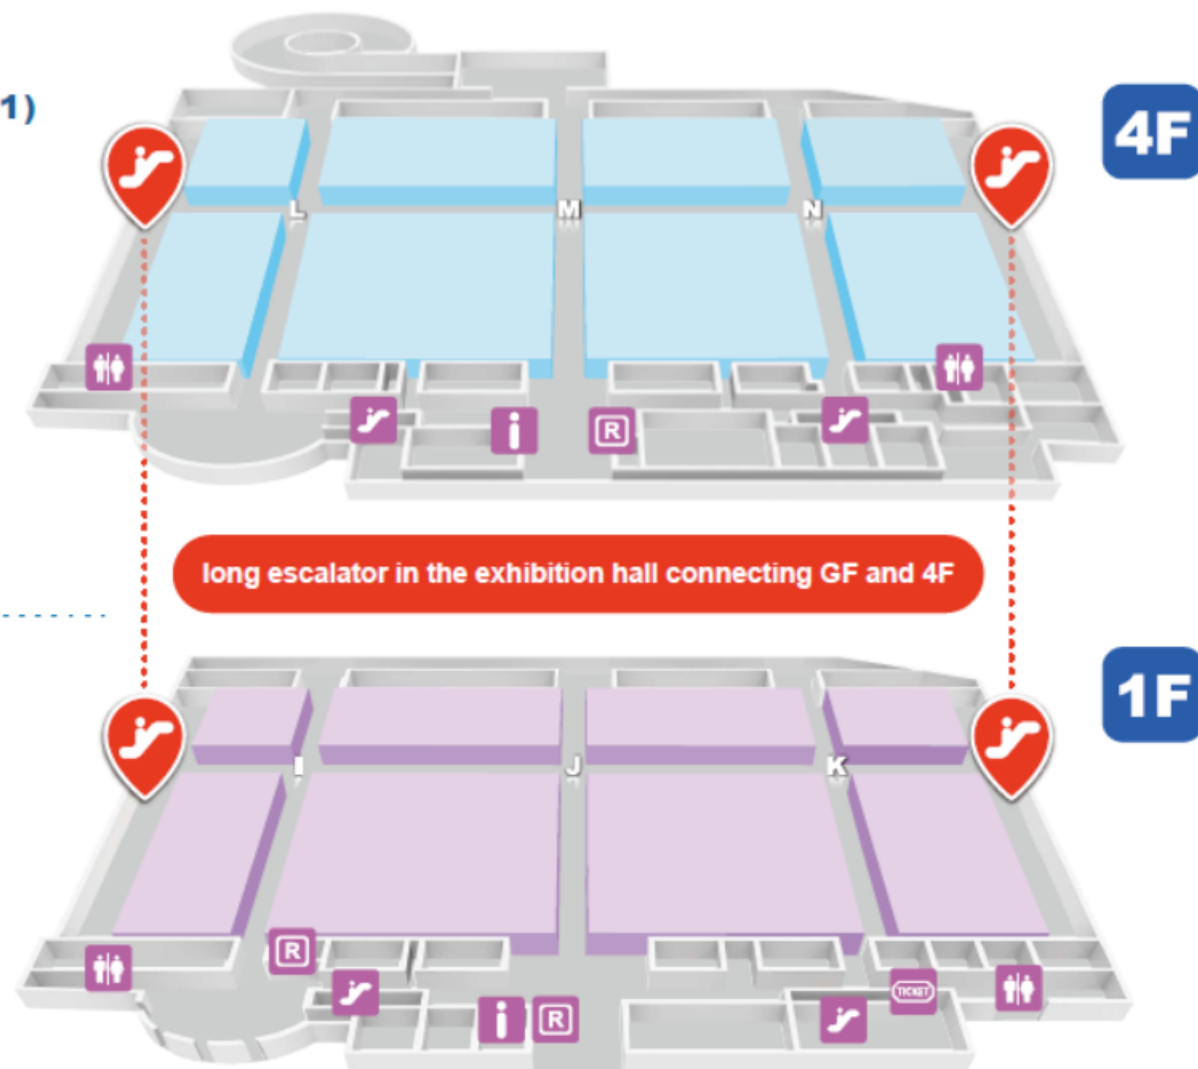

- ◆ 1-4 December, 2022
- ◆ 8 Exhibitions and 2,000 Booths
- ◆ Hall 1, Taipei Nangang Exhibition Center (TaiNEX 1)

📍 4th Floor 👤 Intl' Exhibitors & Professionals

- Medical Specialty (for hospitals only)
- Smart hospital, medical devices & equipment
- Diagnostics, pharmaceutical services & cell therapy

📍 Ground Floor 👤 Consumers

- Medical specialty (for hospitals only)
- Smart health tech & preventive medicine
- Healthy ageing & age well
- Sports health & fitness
- Bio-agriculture & food safety

III. Exhibitions: Medical Specialty

Technology Integrated Healthcare by Taiwan

Hospitals and medical associations in Taiwan jointly present solutions, innovations and applications developed with digital technologies ranging from specialised care, screening and diagnosis to health management.

- Advanced medical technologies
- Specialist medical care
- AIoT in healthcare
- Cell therapy & regenerative medicine
- Medical innovation & licensing
- Smart, holistic healthcare
- Precision health & health promotion

📍 4th Floor / Ground Floor

👤 Intl' Exhibitors & Professionals / Consumers

III. Exhibitions: Smart Hospital, Medical Devices & Equipment

Industry and Hospital Partnered to Accelerate Digital Transformation

Multinational health tech and medical device companies, distributors, CDMO and CROs come together with problem-based, patient-centred, workflow-optimised products and solutions on offer.

- Smart hospital solutions
- Telemedicine, non-contact technologies
- Health IT systems
- AIoT, cloud-based applications
- Hospital equipment, surgical tools & supplies
- Medical device components & parts
- Contracted services, clinical validation
- Screening, diagnosis, implants

📍 4th Floor

👤 Intl' Exhibitors & Professionals

III. Exhibitions: Diagnostics, Pharmaceutical Services & Cell Therapy

Disease Prevention and Personalised Treatment

A comprehensive line-up of laboratory apparatus, test kits and services indispensable to preventive, precision medicine.

◆ Diagnostics

- Genetics of cancer & medication, pathogen testing
- IVD, rapid test kits production, R&D
- Health / disease risk assessment and services

◆ Biopharma

- New drugs R&D, technology platforms
- Pharmaceutical products, API, intermediates
- Manufacturing & development, analytical solutions, logistics

◆ Cell Therapy

- Development of cell therapy
- Cell therapy CDMO solutions
- Regenerative medical products

📍 4th Floor

👤 Intl' Exhibitors & Professionals

III. Exhibitions: Smart Health Tech & Preventive Medicine

Lifestyle with Smart Health Management

This pavilion displays consumer health products for people in optimal and suboptimal health, helping them boost immune health, manage health risk and create a healthy lifestyle.

- Wearables, mHealth
- Health management software & apps
- Environmental monitoring for health & wellness
- Nutrition, supplements, immune health
- Health services for individuals & enterprises
- Epidemic control and prevention
- Anti-bacterial and anti-viral products

📍 Ground Floor

👤 Consumers

III. Exhibitions: Healthy Ageing & Age Well

Older Adults' Wellbeing and Quality of Life

The exhibition includes technology in elderly care improves mobility and memory loss, and products that enhance physical, mental health of seniors.

- Healthy diets, nutrients and functional food
- Smart home & appliances
- Age-friendly indoor & outdoor activities
- Anti-ageing regimens
- Chronic disease prevention & management
- Smart solutions in long-term care

📍 Ground Floor

👤 Consumers

III. Exhibitions: Sports Health & Fitness

Workout to Stay Fit and Healthy

The exhibits are purpose-built for the workout populations to gain muscle strength, loss weight and keep in shape in a safe yet efficient way.

- Workout equipment & training
- Personal health & fitness management
- Rehab technologies & assistive devices
- Functional sportswear & accessories
- Sports nutrition & supplements
- Home exercise equipment for all age

📍 Ground Floor

👤 Consumers

III. Exhibitions: Bio-Agriculture & Food Safety

Healthy Eating, Natural Healing

With agribio-technology, chemical-free foods and food safety at its centre, this pavilion is a one-stop shop for local produces and health foods, as well as for herbal lovers and food technology experts.

- Organic, health foods
- Nutritional supplements & ingredients
- Food safety tests and services
- Naturopathy and health promotion

📍 Ground Floor

👤 Consumers

V. Global Participation

The Global Healthcare Supply Chain: Reboot and Rebuild forum brings together industry leaders and influencers to broach the topic of building supply-chain resilience in a post-Covid-19 economy.

Ralph Ives, Executive Vice President of Global Strategy and Analysis, AdvanMed

Brian Lewis, President & CEO, Medtech Canada

Nipit Piravej, Director, Thai Medical Informatics Association (TMA)

Choon-Song Ching, Executive Director, Association of Malaysian Medical Industries

Sergey Varin, Executive Director, International Medical Device Manufacturers Association

Maryline Marquet, VP Operations, APACMed

Jonathan Kimball, Vice President, Trade, International Affairs & Strategic Initiatives, the Association for Accessible Medicines (AAM)

Adisorn Apasuthirak, Chairman, Medical & Health Device Manufacturers Industry Club under the Federation of Thai Industries

Hardharan Singh, Senior Vice President, the Malaysian Bioeconomy Development Corporation

Frank Toussaint, Executive Director & Co-Founder, Bio Supply Management Alliance Europe (BSMA)

Tuan-Heng Yong, President, Malaysia Medical Device Association (MMDA)

June Hwang, Director, International Affairs & Public Relations Division at Korea Biotechnology Industry Organization (KOBIO)

Carole Springett, Global Scientific Affairs Manager, Fresenius Kabi

Omer Caspi, Representative, Israel Economic & Cultural Office in Taipei

Karin Mayer Rubinstein, CEO & President, Israel Advanced Technology Industries (IATI)

Michal Polański, Director, The Polish Agency for Enterprise Development (PARP)

Hardharan Singh, Senior Vice President, the Malaysian Bioeconomy Development Corporation

Bartosz Rys Acting Head, the Polish Office in Taipei

Mikolaj Rózycki Deputy President, The Polish Agency for Enterprise Development (PARP)

G S Lishnan, President, Association of Biotechnology-Led Enterprises (ABLE)

Seung Kyou Lee, Vice President, Korea Biotechnology Industry Organization (KOBIO)

Kazuko Yokota Representative, Japan Pharmaceutical Licensing Association (JPLA)

Preecha Bhandivej, President, Thai Medical Device Technology Industry Association (THAMED)

Sunh Arunnugstichai, Deputy Executive Director, Thailand Trade and Economic Office

V. Global Participation

The Expo has a network of 500 industry partners in the healthcare space.

Medical Associations
