Correction to “A Neural Network Approach to Estimate Tropical Cyclone Heat Potential in the Indian Ocean”

M. M. Ali, P. S. V. Jagadeesh, I.-I. Lin, and Je-Yuan Hsu

In the above paper [1], there is an error in equation (3).

\[
TCHP = -245.256 + D26c \times 0.533 + SSHA \times 0.369 + SST \times 0.279
\]

should be

\[
TCHP = -245.256 + D26c \times 0.982 + SSHA \times 1.243 + SST \times 8.417
\]
