

Opening of a Faculty Position in the Department of Plant Pathology and Microbiology, National Taiwan University, Taipei, Taiwan

A faculty position in the Department of Plant Pathology and Microbiology, National Taiwan University is available at the level of ASSISTANT PROFESSOR, ASSOCIATE PROFESSOR, or PROFESSOR, beginning from August 1, 2014. The areas of interest include: **Plant nematodes and Nematode biology**. The successful applicant is expected to contribute to the teaching mission, to conduct research, and to participate the departmental service. Applicants should have a Ph.D. degree. To apply, please send a cover letter and three copies of the following documents to the address shown below: (1) curriculum vitae, (2) a photocopy of Ph.D. diploma or a certificate of the Ph.D. degree, (3) a publication list, (4) teaching plans, (5) research proposals, (6) hard copies of no more than 10 publications which were published after August 1, 2007. The cover letter should indicate the position to apply, the title of the designated representative paper (published after August 1, 2009) and the contact information of two references, who should send the recommendation letters directly to the address shown below or by e-mail (ycchang@ntu.edu.tw). To apply for the position of “Assistant Professor”, it is required that one reference is provided by the dissertation advisor. As well, if a Ph.D. dissertation is designated as a representative publication for the application of the position of “Assistant Professor”, official transcripts for both undergraduate and graduate studies should be enclosed.
