Chung-Liang Chien, Ph.D.
CEO, Institute for Biotechnology and Medicine Industry (IBMI)
Professor, College of Medicine, National Taiwan University

About IBMI

Institute for **Biotechnology and Medicine Industry (IBMI)** is an independent, not-for-profit organization voicing Taiwan-based healthcare industry, promoting interdisciplinary collaborations through its global platform, and creating policy dialogues between public and private sectors. On top of that, IBMI is also a trusted awarding and certification body to healthcare providers and an incubator to healthcare startups in areas of novel biotechnologies, services and innovations.

Founder
Jin-Pyng Wang

Former President
of Parliament,
R.O.C.

President
Pan-Chyr Yang

Former President
National Taiwan
University
Academician of
Academia Sinica

Vice President
Barry Lam

Chairman & CEO
of Quanta Group

Vice President
**Jong-Chin
Shen**

Senior Advisor to
the President,
Office of the
President, R.O.C.

Vice President
Chang-Hai Tsai

Chairman of China
Medical University
and Medical
System

Vice President
Wei-Ming Chen

Superintendent of
Taipei Veterans
General Hospital

Supervisor
Wei-Jao Chen

Former President
National Taiwan
University

Board Members

Leaders from Hospitals, ICT, Semiconductors, Biomedicine & Finance

Medical

Changhua Christian Hospital
China Medical University Hospitals
Hualien Tzu Chi Hospital
Chang Gung Memorial Hospital
Medical Affairs Bureau
National Cheng Kung Hospitals
National Taiwan University Hospital
Shin Kong Memorial Hospital
Show Chwan Healthcare System
Taipei Medical University Hospital
Taipei Veterans General Hospital

ICT & Semiconductor

- **Quanta Group** (top AI server supplier; largest notebook computer ODM company)
- Acer (world's 6th largest personal computer vendor)
- **ASUS** (5th largest personal computer)
- AUO Corp. (3rd largest display panel supplier)
- Catcher Technology (largest laptop casing MFR.)
- **Delta Electronics** (largest power supply MFR.)
- Pegatron Corporation (4th largest EMS/ODM)
- Powerchip Semiconductor (8th largest semiconductor foundry)
- **Qisda (BenQ)** (3rd largest projector MFR.)
- Realtek Semiconductor (7th largest IC design house)
- Wistron Corporation (3rd largest EMS/ODM)

Bio-Pharma

National Health Research Institute
Bora Pharmaceuticals
CHC Healthcare Group
Orient Pharma
St.Shine Optical

Finance

TS Financial Holdings
Cathy Financial Holdings
Fubon Financial

Roles of IBMI

Policy Think Tank

- Act for the Development of Biotech and New Pharmaceuticals Industry.
- The Human Biological Database Management Act
- Pharmaceutical Affairs Law and Medical Care Act
- Amendments to the Medical Care Act and Physicians Act
- Amendment of Medical Center Accreditation

Industry Platform

- **Healthcare + Expo Taiwan**
- **Healthcare + B2B Platform (Online B2B Matchmaking)**
- Healthy Ageing Tech Show

Certification & Awards Authority

- **Symbol of National Quality (SNQ) certification**
- National Biotech and Medical Quality Award
- National Innovation Awards

Startup Accelerator & Investor

- Everbright Biofund (Established and Managed by RBMP)
- Angel investment in startups
- Medtex Summit Asia

SNQ Certification

Taiwan's Safety & Quality Certification System: Built on Trust, Proven by Results

1. Medical Service:

Medical technology, Healthcare, Long-term care

2. Commercial Products:

Pharma, Medical Device, AI solutions, Foods

SNQ National Quality Awards

Safeguarding safety and quality in the health industry

Taiwan's Safety & Quality Certification System: Built on Trust, Proven by Results

SNQ builds international trust through globally comparable standards, **showcasing Taiwan's healthcare excellence and medical innovation for international collaboration and market development.**

Taiwanese medical teams have been recognized as internationally leading by the SNQ program:

1. **liver transplants**
2. **pancreatic cancer surgery**
3. **craniofacial reconstruction**
4. **Bone marrow transplants**

These achievements have become global benchmarks for medical quality and have led to the inclusion of several treatment procedures in textbooks, and rewriting global standard treatment guidelines.

IBMI SNQ and ICHOM Form Strategic Partnership in Asia

Taiwan's Safety & Quality Certification System: Built on Trust, Proven by Results

SNQ builds international trust through globally comparable standards, **showcasing Taiwan's healthcare excellence and medical innovation for international collaboration and market development.**

AI × CLINICAL PRACTICE

ASUS EndoAim AI-Assisted Endoscopy SNQ B01105

Real-time AI assists physicians in detecting and classifying colorectal polyps during colonoscopy, converting endoscopic images into actionable clinical insights.

INNOVATIVE KIDNEY IVD
Indoxyl Sulfate Assay
SNQ P040029

A Taiwan-developed Class III IVD for kidney disease risk assessment.

Precision Oncology
Accelerator-Based BNCT
SNQ P040025

An integrated platform combining an accelerator, a neutron source and a treatment control system.

Healthcare[®] 2026.12.03-12.06
EXPO · TAIWAN 台灣醫療科技展

Taiwan Healthcare+ Expo

Taiwan Healthcare+ Expo is the world's first exhibition connecting the full health ecosystem—medicine, ICT, biotech, pharmaceuticals, and medical devices.

APAC's Premier Expo Connecting Hospitals, MedTech, BioTech & HealthTech

Tech x Medicine: Expo Highlights in Medtech, Biotech and Healthtech

Healthcare 2026.12.03-12.06
EXPO · TAIWAN 台灣醫療科技展

The Expo fostering accelerated collaborations between the Medtech, Biotech, and Healthtech sectors. It provides a platform for showcasing cutting-edge technologies and solutions, sparking innovation, and promoting partnerships in healthcare.

Medtech

- Smart Hospital Solutions
- Medical Devices & Equipment
- Digital Health Technologies

Biotech

- Diagnostics, Laboratory Equipment & Services
- Biopharmaceutical Products & Services
- Regenerative Medicine Products & Services

Healthtech

- Preventive Medicine
- Consumer Health
- Long-term Care & Assistive Technology
