

Voyage of Aspirations Scholarship

National
Taiwan
University

Following NTU's plans to internationalize, the NTU Voyage of Aspirations Scholarship was created in March 2019 with the goal of raising NT\$5.5 million per year. These can fund at least 30 low-income students with few previous cultural opportunities, encouraging them to snatch a chance for an exchange abroad, muster the courage to leave Taiwan and face challenges, thereby expanding their life experiences and global perspectives.

We hope NTU's alumni can serve as pillars and supporters for our students to bravely step forward onto the world stage, and become a driving force for our society.
