Office's phone number, floor, website

Barry Lam Hall

Barry Lam Hall was completed thanks to the donation from Barry Lin, the head of Quanta Computer. Its Chinese name is the homophones of the donator, which implies, "to learn comprehensively; to understand essence of things." The gray-colored outer wall and glass together depict the image of circuit boards, which demonstrate the spirit of technology.

NTU MAP in Android phones

- Sometimes the button at the bottom of the map maybe disappear on android phones.
- Several android browser likely pops up "Go Back to Previous Page" to cover the button at the bottom of the NTU MAP. You can touch the screen from button to top and wait few second, then the button of the NTU MAP will appear again.
- * BUT different makes and models of android phones maybe show different screen. Sorry for any inconvenience caused.
